

## Briefing – Child Psychiatric Screening and Drugging

The International Center for the Study of Psychiatry and Psychology, Inc. cordially invites you to attend a briefing covering the following issues:

- Psychiatric screening of children from infancy onward
- Skyrocketing use of psychiatric drugs in younger and younger children, especially those in government programs like foster care
- Coerced psychiatric drugging in the schools
- Side effects and dangers of these drugs
- Government programs that promote screening and drugging
- What can be done to stop these dangerous trends

Speakers to include:

- Peter Breggin, MD – Psychiatrist, author, and founder of ICSPP
- Laurie Yorke, RN – Mother of a psychiatric drug damaged child
- The Honorable Indiana State Representative Cindy Noe
- Karen Effrem, MD – Pediatrician, policy analyst and ICSPP board member

Monday October 15<sup>th</sup> 10 AM to 11:30 AM

325 Russell Senate Office Building
