JACK B. WEINSTEIN, SENIOR UNITED STATES DISTRICT JUDGE:

James Gottstein moved to dissolve the order for an injunction issued on December 18, 2006 by Judge Cogan. Terri Gottstein moved for her email communication with her husband not to be considered in the decision to modify or extend the preliminary injunction issued on January 4, 2007. The court has not considered the substance of any email communication between Terri and James Gottstein in deciding Lilly's motions.

The motions are denied. They are mooted by this court's final injunction dated February 13, 2007.

SO ORDERED.
