February 1, 2001

Dear Mr. Holmstrom:

Pursuant to Minnesota Statute Section 151.47(f), SmithKline Beecham Corporation ("SB") is submitting to the Minnesota Board of Pharmacy all 2000 payments, honoraria, reimbursement or other compensation paid by SB to individual practitioners which total \$100.00 or more which are authorized by Section 151.461(3) to (5).

The attached report reflects only payments made directly by SB to a Minnesota practitioner. SB has arrangements with Foundations, Universities, Contract Research Organizations and other business entities to conduct research in which payment may be made by such an institution to a Minnesota practitioner. Compensation to Minnesota practitioners in these cases is not directly from SB, therefore payments to these entities are not necessarily reflected on the attached report. Similarly, payments to a sponsor of a medical conference, professional meeting or other educational program, where SB does not pay the practitioner directly, are not reported.

Should you have any questions regarding the attached report, please contact me at 215-751-5063.

Sincerely,
