Re: Minnesota Expense Reporting Statute

Dr. Holmstrom,

Attached is a report that includes, to the best of our knowledge, all payments, honoraria, reimbursement, and other compensation authorized by the State of Minnesota Legislature under section 151.461, clauses (3) to (5), paid by or on behalf of Eli Lilly and Company to licensed practitioners in Minnesota during the 2002 calendar year. The names of certain practitioners appear more than once due to the fact that this report contains compiled data from multiple vendors who process payments on Lilly's behalf. Payments that were made to practitioners for Lilly by these vendors have been labeled accordingly.

Eli Lilly and Company has sponsored other business entities who conduct research or provide medical education programs where payments may have been made by those entities to Minnesota practitioners. In these cases, the practitioners are not chosen by Lilly and the compensation to the practitioners is not directed by Eli Lilly; therefore, these payments are not reflected in the attached reports.

Please note that Lilly is party to a co-promotion agreement with Takeda Pharmaceuticals for a pharmaceutical product called Actos (pioglitazone HCl). Under that agreement, Takeda is responsible for making certain payments to physicians on behalf of the companies for services that may be covered under section 151.461. Because those payments come from Takeda, they are not within the scope of Lilly's attached report.

It is our understanding that reports filed under this provision are public data, however, we request advance notification of any disclosures. If you have any questions, please contact Kelly Freeman, Director, Sales Compliance by phone at (317) 276-1337 or fax at (317) 277-6809.

Sincerely,

Eli Lilly and Company

Kelly B. Freeman, Ph.D.
Director, Sales Compliance
