EDUCATION

- Ph.D. (Social Welfare) University of California, Berkeley, 02/1989.
Thesis: "Psychotropic Drugs and the Chronically Mentally Ill: A Longitudinal Study" (Chair: Steven P. Segal)
- M.S.W. (Social Work) Carleton University, Ottawa, Canada 02/1981.
- B.A. (Psychology) McGill University, Montreal, Canada 06/1978.

PREVIOUS POSITIONS AND APPOINTMENTS

- Director, School of Social Work, Florida International University, Miami, 2012-2013
- Professor, School of Social Work, Florida International University, 2000-2013
- Tocqueville-Fulbright Distinguished Chair and Visiting Professor, Department of Psychology, Université de Poitiers, France, 2012
- Fellow and Faculty Instructor, Latino Drug Abuse Research Center (funded by NIDA), Florida International University, 2003-2006
- Researcher (International), Research Group on Pharmaceutical Life Cycle (funded by Social Sciences and Humanities Research Council of Canada), Université du Québec à Montréal, 2002-2009
- Director, Ph.D. Program in Social Welfare, School of Social Work, Florida International University, 2000-2003
- Professor, School of Social Work, Université de Montréal, Canada, 1999-2000 (Associate Professor, 1993-1999; Assistant Professor, 1989-1993; FT Lecturer, 1988-1989)
- Visiting Professor, National Institute of Health and Medical Research (INSERM Unit 379: Epidemiology of medical innovation) and Ste-Marguerite Hospital, Marseille, France, 08/1995-07/1996

Director, Health and Prevention Social Research Group (GRASP), Université de Montréal, 1993-1995 (Researcher, 1991-2000)

Research Specialist, Mental Health Research Group, School of Social Welfare, University of California, Berkeley, 1987-1992

Teaching Assistant, University of California, Berkeley; School of Social Welfare and School of Public Health, 1985-1987

PROFESSIONAL-CLINICAL EXPERIENCE

Psychotherapist and Consultant (individuals, groups, families, organizations), 1995-present.
(Licensed Clinical Social Worker # SW8029, State of Florida)

Project Head. Jewish Family Services, Montreal, 1982-1983

Social Worker. Intake and Crisis Intervention Unit, Jewish Family Services, Montreal, 1980-1982

Community Educator. Civil Liberties Association, Ottawa, 1980-1981

Social Worker. Ville Marie Social Service Center, Court Diversion Team and Youth Protection Department, Youth Court, Ville Marie Social Service Center, Montreal, 1977-1979

Social Worker. Family Service Division, Jewish Family Services, Montreal, 1975-1976

HONORS & FELLOWSHIPS

2015 “Honorable Mention,” Outstanding Social Work Book Published in Last Three Years, Society for Social Work and Research, for *Mad Science* (Kirk, Gomory, & Cohen)

2012 “Top Scholar,” Florida International University, for “Outstanding Achievements in Research and Scholarship”

2012 “Outstanding PhD Mentor Award,” The James L. McKnight Foundation and Florida Education Fund

2012 Distinguished Fulbright-Tocqueville Chair Award to France

2011 “Faculty Award for Excellence in Teaching,” Faculty Senate of Florida International University

2010 “Distinguished Researcher Award, for Ethical and Humane Continuing Educational Work,” from The International Society for Ethical Psychology and Psychiatry (for *CriticalThinkRx*, a free, online, research-based comprehensive curriculum on psychotropic medication)

2006 “Best Academic Book,” from *Times Educational Supplement* and National Association for Special Education Network (NASEN) (for *Critical New Perspectives on ADHD*, Lloyd, Stead, & Cohen, Editors)

2003 Eliot Freidson Award, from Medical Sociology Division of American Sociological Association for “Outstanding Publication in Medical Sociology” (Best Article of Last Two Years, “Medications as Social Phenomena”)

1998 Orange Prize, awarded for “Critical research on psychotropic medications helping the emancipation of mental health service users,” from Association of Mental Health Protection and Advocacy Groups of Quebec, Canada

1987 Outstanding Graduate Student Instructor, awarded by Committee on Teaching of the Berkeley Academic Senate

1986-88, Doctoral Fellowship, Social Sciences and Humanities Research Council of Canada

1984-85 Distinguished Teaching Assistant, awarded by University of California, Berkeley

1980, Carleton University Graduate Fellowship

COURSES TAUGHT

Doctoral

Analysis of Social Problems
Craft of Social Welfare Scholarship
History and Systems of Social Work Research
Interdisciplinary Research Seminar
Research Methodology in the Human Sciences
Research Methods in Social Welfare
Thesis Seminar

Master's

Clinical Social Work Practice in Mental Health
Critical Perspectives in Mental Health
Principles of Research/Social Research Methods
Human Behavior in the Social Environment–II (Psychopathology)
Dynamics of Human Behavior (Adult Psychopathology)
Psychopharmacology and Clinical Social Work Practice
Research in Mental Health
Research Methodologies in Social Work
Writing Skills

Undergraduate

Community Mental Health Practice
Critical Approaches in Mental Health
Mental Health: Socio-political aspects
Models of Practice in Social Work
Psychosocial Conflicts
Social Work in Mental Health
Research Methods in Social Work
The Social Environment and Human Behavior
Social Work Practice with Individuals and Families

DOCTORAL DISSERTATIONS SUPERVISED

- Rizzo-Fontanesi, S., PhD in Social Welfare, University of California, Los Angeles, *Religiosity and parents' willingness to medicate children with psychotropics*. Accepted June 2015.
- Hernandez, J., PhD in Social Welfare, Florida International University, *Maternal fetal attachment and health behaviors among pregnant women with HIV*, accepted April 2014.
- Pajo, B., PhD in Social Welfare, Florida International University, *Time spent with children and parents' willingness to medicate ADHD-like behavior*, accepted July 2012.
- Hughes, S., PhD in Social Welfare, Florida International University, *Navigating health information on the Internet: A mixed-methods comparison of consumer- and expert-constructed websites on psychotropic drugs*, accepted February 2010.
- Casstevens, W., PhD in Social Welfare, Florida International University, *Evaluation of a mentored self-help intervention for the management of psychotic symptoms*, accepted June 2006.
- Fritschi, L., PhD in Social Welfare, Florida International University, *Advance directive completion by older persons: A quantitative test of symbolic interactionism*, accepted 2004.
- Lalonde, L., PhD in Applied Social Science, University of Montreal, *The management of extreme homelessness in Montreal*, accepted 2000.
- Clement, M., PhD in Applied Social Science, University of Montreal, *Mental illness and exclusion: An analysis of appeals of involuntary treatment orders*, accepted 1999.
- McCubbin, M., PhD in Applied Social Science, University of Montreal, *The political economy of mental health: Power and interests in a complex system*, accepted 1998.
- In addition, participation as Member or External Examiner in 32 Doctoral Dissertation Committees of candidates in Anthropology (2), Applied Social Science (4), Criminology (2), Economics (1), Education (2), Medicine (1), Nursing (2), Political Science (2), Psychology (4), Public Health (3), Science and Technology Studies (1), Social Work (7), and Sociology (2), in universities in Australia, Canada, France, United Kingdom, and the United States.

MASTER'S THESES SUPERVISED (U of Mtl)

- Yeboah, M. *Social networks of the chronically mentally ill*, accepted 1999
- Lussier, R. *Involuntary outpatient treatment of young adult psychotics*, accepted 1999
- Senez, M.-H. *Narrative therapy in psychosis*, accepted 1999
- Gelinas, C. *Group treatment of drug addictions*, accepted 1998
- Marsolais, G. *Crisis centers and community partnerships*, accepted 1996
- Doré, C. *The political economy of pharmacological treatments of hyperactivity*, accepted 1995
- Lecavalier, M. *Women in treatment for cocaine abuse: Early experiences of victimization and drug supply strategies*, accepted 1993
- Cyr, C. *Depression, antidepressants, and social work*, accepted 1993
- Ouimet, J. *The right to refuse psychiatric treatment: Analysis of the Cameron and Rivière-des-Prairies cases*, accepted 1993
- Gagné, A-M. *Beliefs about mental illness among young offenders*, accepted 1992

Gauthier, S. *Effects on high school teachers of a school-based suicide prevention program*, accepted 1992

Cale, E. *The psychiatric patient's experience of drug treatment*, accepted 1990

Marquis, Y. *Self concept and perception of family of origin in women who refuse to have children*, accepted 1990

RESEARCH GRANTS

2012 • Distinguished Fulbright-Tocqueville Chair Award, "Psychotropic Medications and Social Change in France and America." Host Institution: Université de Poitiers, France. \$57,200, P.I.

2008-10 • D. Cohen et al. "Prescribing Psychotropic Drugs to Youth: Cultural Factors in Parental Attitudes." National Institute of Mental Health, R21MH084832, \$353,250. PI.

2006-09 • D. Cohen. "A Critical Skills Curriculum on Psychotropic Medications for Mental Health Professionals." U.S. Attorneys General Consumer and Prescriber Grant Program, \$372,341. PI.

2004-07 • C. Garnier et al. "The Medication Cycle: Patients, Medications, and Society." Social Sciences and Humanities Research Council of Canada, \$2.5 million.* Co-I.

2001-04 • J. Collin et al. "Compliance as Concept Needing Reinterpretation: A Multidisciplinary Analysis of Social Factors Associated with Patients' Medication-Related Behaviors." Social Sciences and Humanities Research Council of Canada, \$301,990.* Co-I.

2001-04 • J. Collin et al. "Medications as Social and Cultural Phenomena, II". Fund for Researchers & Researcher Training (Quebec, Canada), \$ 125,232.* Co-PI.

2001-04 • A. Demers et al. "Social Determinants of Health and Well-Being: Four Population-Based Studies". Fund for Researchers & Researcher Training (Quebec), \$ 375,000.* Co-PI.

2000-02 • G. Perodeau et al. "Family and Chronic Psychotropic Drug Use by Elderly Women." Quebec Council for Social Research, \$106,390.* Co-I.

2000-03 • M. Renaud et al. "Social Regulation in Health and Social Services: New Partnerships Between Academia and Care Providers." Quebec Council for Social Research, \$225,000.* Co-PI.

1998-01 • D. Cohen et al. "Medications as Social and Cultural Phenomena." Fund for Researchers & Researcher Training (Quebec, Canada), \$ 109,000.* PI.

1998-00 • "Services for Vulnerable Youths." Department of Health and Social Services (Quebec), \$ 300,000.* Co-PI

1997-00 • M. Renaud et al. "Toward Regionalization of Decision-Making in Health and Social Services." Quebec Council on Social Research, \$350,000.* Co-PI.

1997-98 • D. Cohen & M. McCubbin. "Reform of Mental Health Systems, Professional Change, and Client Empowerment: Review of the Literature." Health & Social Services Regional Board of Laval, Quebec, \$ 6,870.* PI.

- 1997-98 • D. Cohen et al. Evaluation and Intervention in Attention-Deficit/Hyperactivity Disorder: Analysis of Practices, and Proposals for Multi-Modal Services.” Public Health Research Program, Department of Health & Social Services, Quebec, \$87,000.* PI.
- 1997-98 • D. Cohen & J. Collin. “Drug Abuse and Dependence on Prescribed Psychoactive Substances Among Women, the Elderly, and Children: Review and Analysis of the Literature.” Committee for the Prevention of Substance Abuse, Quebec, \$ 15,000.* PI.
- 1995-97 • M. Renaud et al. “The Social Determinants of Health.” Quebec Health Research Fund, \$123,500.* Co-PI.
- 1995-96 • D. Cohen. “Innovation in the Development of Psychotropic Drugs: A Socio-Economic Evaluation of the Pharmaceutical Industry.” Quebec Health Research Fund, \$ 20,195.* PI.
- 1994-97 • D. Cohen, H. Cohen, S. Karsenty. “Social Construction and Social Representations of the Side-Effects of Anxiolytic Drugs.” Ministry of Health, Paris, France. \$ 58,000.* PI.
- 1994-97 • I. Laporte, M. Renaud, et al. “A GRASP-Health & Social Services Regional Board of Laval Research Partnership.” Quebec Council for Social Research, \$ 320,000.* Co-I.
- 1993-95 • D. Cohen. “Review of Social Science Research on the Use and Production of Psychotropic Drugs.” Ministry of Health, Paris, France. \$ 18,500.* PI.
- 1993-95 • D. Cohen et al. “Definition and Operationalization of Civil Dangerousness Criteria: A Study of Decisions of the Quebec Social Affairs Commission.” Quebec Council for Social Research, \$51,170.* PI.
- 1993-95 • M. Renaud & D. Cohen. “Health, Illness, and Social Dynamics.” Quebec Health Research Fund, \$166,000.* Co-PI.
- 1993-95 • A. Demers & D. Cohen. “General Practitioners' Diagnostic and Referral Practices in Cases of Alcohol Abuse.” Quebec Council for Social Research (CQRS), \$101,000.* Co-PI.
- 1992-94 • L. Massé-Sporns, H. Cohen, D. Cohen, M. Douek, et al. “Overprescription of Psychotropic Drugs to Elderly in Residential Care.” Quebec Council for Social Research, \$ 118,300.* Co-I.
- 1991-93 • H. Cohen, D. Cohen, & E. Pourcher. “Neuroleptic-Induced Tardive Dyskinesia: Interactions between Neurological Profiles, Cognitive Deficits, and Social Integration.” Quebec Health Research Fund, \$ 90,088.* Co-PI.
- 1991-94 • D. Cohen. “The Sociology of Mental Health Iatrogenics.” Social Sciences and Humanities Research Council of Canada, \$ 57,012.* PI.
- 1991-94 • D. Cohen. “The Sociology of Iatrogenic Disorders in Mental Health: The Case of Tardive Dyskinesia.” Fund for Researchers & Researcher Training (Quebec), \$41,500.* PI.
- 1990-91 • D. Cohen. “Social Research in Psychopharmacology.” Université de Montréal, \$7,700

1989-90 • D. Cohen. “Social Integration of Deinstitutionalized Psychiatric Patients.”
Université de Montréal, \$ 5,000.

(* amounts exclude indirect costs and PI support.)

CONFERENCE GRANT

2014 • D. Cohen. Support for the “Transforming Mad Science and Reimagining Mental Health Care,” International conference and 16th annual meeting of the International Society for Ethical Psychology and Psychiatry, from Ralph and Marjorie Crump, \$60,000.
