Hi Wayne-

I hope you found the message training yesterday to be valuable. Based on our productive meeting, we have put the key messages down in format we thought you would find most useful.

If you have any questions, please don't hesitate to contact us. We are looking forward to an exiting APA meeting and will be sure to let you know of any media interviews we are able to set up in advance, as soon as possible.

Thank you and have a great day,
