**Attachments:** TALT10\_22mins.doc  
Don,

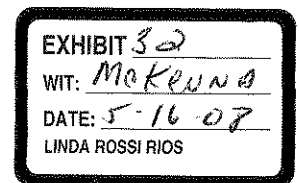

As discussed, I am forwarding the draft TALT meeting minutes for your review. I'd appreciate any comments you may have on the accuracy of the information on SEROQUEL and **REDA** as well as the minutes as a whole.

Harry,

I'm including you on the draft as there are several action items assigned to you. This is just as a heads up.

Thanks,

Kevin
