PROCEEDINGS

1 THE COURT: We're on the record in probate  
2 case 3AN-08-247 Probate in the matter of the  
3 hospitalization of William Bigley.

4 Present in the courtroom, let's see. We  
5 have Mr. Twomey, who is the assistant general, with  
6 Ms. Russo.

7 MS. RUSSO: Your Honor, excuse me. I'm  
8 representing the Office of Public Advocacy.

9 THE COURT: Represents the Office of Public  
10 Advocacy. Ms. Brennan and Ms. Gibson are here currently  
11 representing Mr. Bigley. And we have got Mr. Bigley,  
12 and Mr. Gottstein for Mr. Bigley for the forced drug  
13 petition only.

14 This is going to be short and sweet, but  
15 I'll probably have to make it a little bit longer. This  
16 case involves a petition filed by the state for court  
17 approval of the administration of psychotropic  
18 medication, as well as for a 30-day commitment.

19 The public defender was appointed to  
20 represent Mr. Bigley in this case. There was a hearing  
21 that was supposed to be held in front of Judge Lack  
22 yesterday. Judge Lack -- apparently, at the hearing,  
23 Mr. Bigley said that he wanted Mr. Gottstein to  
24 represent him in this matter.  
25

1 And so this matter was referred to me,  
2 because the case was assigned to me as the superior  
3 court judge for a representation hearing.

4 This morning, Mr. Gottstein has filed what  
5 he called a submission for a representation hearing and  
6 appendix to the submission for the representation  
7 hearing, and then affidavits from Robert Whitaker,  
8 Ronald Bassman, Ph.D., Paul Corneals (phonetic).

9 And it appears that -- well, I'll just read  
10 -- Mr. Gottstein talks about whom he works for, the Law  
11 Project for Psychiatric Rights, and he feels that in  
12 these commitment proceedings, the public defender  
13 doesn't do an adequate job of representing the people  
14 that they are charged with representing.

15 And he concludes on page three of his thing:  
16 "In the instant case, when Mr. Bigley employed me to  
17 represent him, I decided I was simply not in a position  
18 at that time to zealously represent him because of  
19 impending deadlines; however, I am prepared to represent  
20 Mr. Bigley with respect to the forced drugging petition  
21 only, so that's the petition for involuntary drug -- to  
22 force Mr. Bigley to take drugs that he doesn't -- to  
23 force Mr. Bigley to take drugs."  
24

25 I'll leave it like that. "Only upon the  
consideration and motions which follow."

1 Just to be clear, Mr. Gottstein, so you  
2 know, although it's not going to matter, as I'm going to  
3 explain in a second, I wasn't prepared to negotiate your  
4 representation. You were either in or you're out, and  
5 then if you were in, you could file motions and then I  
6 would decide what -- I would consider the motions as I  
7 might normally consider any motions.

8 But in reading the material that  
9 Mr. Gottstein filed, it's clear that he makes -- that an  
10 issue in this case that has likely developed deals with  
11 the use of second generation antipsychotic drugs and the  
12 side effects of those drugs.

13 I am currently trying a case, the United  
14 States versus Eli Lilly Company -- or State of Alaska  
15 versus Eli Lilly Company where much of that information  
16 is at issue. And I have concluded that for me to hear  
17 that information and be involved in this case would  
18 effectively affect my ability to be fair and impartial  
19 in the case that I'm currently have impaneled a jury and  
20 I'm taking evidence on that's scheduled to last four  
21 weeks, so I am recusing myself in this case right away  
22 before I start getting fed a lot of information by  
23 Mr. Gottstein that, in my view, would constitute ex  
24 parte communications or would be problematic for me in  
25 handling that other case, because the state and Lilly

1 aren't there, even though I'm getting information that  
2 clearly would be the same kind of information, but maybe  
3 different information than I'm going to get in the case  
4 that I'm currently trying.

5 So I am recusing myself in this case. I  
6 have spoken to the presiding judge, although the  
7 paperwork hasn't happened yet, and the magic wheel has  
8 spun and Judge Michalski has been assigned to this case.

9 Judge Michalski is available to have a  
10 hearing at 3:00 tomorrow, so this hearing is continued  
11 until 3:00 tomorrow in front of Judge Michalski because  
12 I'm recusing myself.

13 MS. GIBSON: Your Honor, may I just mention  
14 one thing?

15 THE COURT: Sure.

16 MS. GIBSON: I know that you may recuse  
17 yourself on the substantive issues, but would you be  
18 able to deal with the representation issue?

19 THE COURT: If I have to recuse myself from  
20 the case, I have to recuse myself from the case. It's  
21 not like pieces that I can do. And given that  
22 Mr. Gottstein wants somebody to basically review the  
23 substance and, as I understand it, only upon  
24 considerations and motions which filed, and he has got  
25 motions, somebody has got to decide what they are going

1 to do about all of that stuff.

2 And it ought to be the judge who is actually  
3 going to try the case.

4 MR. GOTTSTEIN: Your Honor, I apologize.  
5 It's nice to meet you, Your Honor. I did this in a  
6 rush, so there might have been things that probably  
7 should only have come out -- and if I should clarify  
8 things, I will file an entry of appearance with respect  
9 to the forced drugging petition, because the --  
10 (indiscernible) -- probably should have come out of  
11 that, but I missed that.

12 THE COURT: Okay. Anyway, I mean, there is  
13 all this stuff, which, again, I saw the headings and ran  
14 away from it real quick, but there is all this stuff  
15 about Zyprexa and Risperdal, and I don't remember  
16 whether any of the other ones were mentioned, but that's  
17 everything that's going on in this trial, which I have  
18 got two floors of the Captain Cook involved in and it's  
19 a big trial that's going on and will last four weeks.

20 And I just don't want to do anything that  
21 would involve my getting information in this case when  
22 the parties to that case aren't present that might  
23 affect my ability and cause a mistrial in that case, and  
24 so I'm not going to handle this case.

25 MS. GIBSON: Your Honor, just to be clear,

1 my recusal and the assignment to Judge Michalski will  
2 catch up with this, but the next -- this is continued  
3 until 3:00 tomorrow in his courtroom.

4 MR. GOTTSTEIN: Your Honor, would it be  
5 possible for me to get a copy of the file so far?

6 THE COURT: It will be, but, I mean, most of  
7 the file is you, Mr. Gottstein. Right now, all we have  
8 in the file, I'll just tell you, is the petitions and  
9 kind of the appointments of OPA and the appointments of  
10 the notice of the 30-day hearing and the stipulation to  
11 continue the hearing and the log notes from yesterday,  
12 the recusal notice of Master Duggan and the assignment  
13 of the case to me. That's what there is.

14 MR. BIGLEY: We need the paperwork.

15 THE COURT: Excuse me?

16 MR. BIGLEY: We need the paperwork. The  
17 Secret Service knows -- (indiscernible).

18 THE COURT: So the file will be available as  
19 soon as -- what I'm going to do is do the paperwork for  
20 the recusal, get it signed by the presiding judge and  
21 I'm going to bring the file to Judge Michalski's  
22 chambers, and so if you need it, you can contact Judge  
23 Michalski's chambers.

24 We'll be off record then.  
25

1 we're still seeking a representation hearing.

2 THE COURT: Right, and that's what Judge  
3 Michalski will give you tomorrow, but he has been -- I'm  
4 recusing myself and, like I said, I advised the  
5 presiding judge of that and she then told me so that you  
6 could know who the judge would be and I could talk to  
7 that judge and find out when they could handle this  
8 thing promptly.

9 And the case was assigned to Judge Michalski  
10 and he said 3:00 tomorrow.

11 MS. GIBSON: And just one more issue, Your  
12 Honor. Would it be possible for us to talk to Judge  
13 Michalski after you get off record? 3:00 is when I am  
14 due to be handling API hearings.

15 THE COURT: I have no idea what his -- I  
16 mean, he was up in his chambers five minutes ago when I  
17 explained to him what had happened and asked him when he  
18 wanted to tell me you were going to do this thing, or he  
19 could do this thing.

20 Whether -- I don't know. You know, if it  
21 were my chambers, I kind of handle requests to move a  
22 hearing pretty informally, but I don't know whether  
23 Judge Michalski does.

24 You probably know better than me. Sorry.

25 We'll be off record, and, like I said, the paperwork of
