Re: Zyprexa Products Liability Litigation
Docket No.: 04-MDL-1596

Dear Judge Weinstein

This firm serves as counsel to Vera Sharav, Alliance for Human Research Protection, and David Cohen with regard to the above captioned matter.

We have filed a Motion to Modify the Protective Order known as CMO-3 so that the public may have access to documents we have alleged are critical to the public health. The Court had advised that it would not hear the Motion until the contempt proceedings with respect to Mr. Gottstein were completed. We understand the appeal with respect to Mr. Gottstein has been withdrawn and there has been no further filings with respect to contempt. Accordingly, please advise when the Court will hear our Motion.

Very truly yours,
