Re: Zyprexa Products Liability Litigation
Docket No.: 04-MDL-1596

Dear Judge Weinstein:

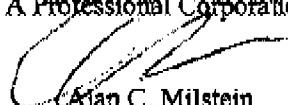

This firm serves as counsel to Vera Sharav, Alliance for Human Research Protection, and David Cohen with regard to the above captioned matter.

I understand from counsel for Lily that the Appeal by Mr. Gottstein has not been withdrawn. I had received some correspondence suggesting that this had been the case but it must have been taken out of context. Accordingly, kindly withdraw my previous letter from the Court's consideration.

It has still been a considerable period of time since my clients filed a Motion to Open or Modify the Protective Order. Apparently, it will still be more time until the matter with Mr. Gottstein is resolved. Accordingly, please advise if the Court will consider my client's Motion prior to the resolution of the issues involving Mr. Gottstein's contempt.

Respectfully,

SHERMAN, SILVERSTEIN, KOHL, ROSE & PODOLSKY, P.A.
