

IN THE SUPERIOR COURT FOR THE STATE OF ALASKA  
AT Anchorage

In the Matter of the Necessity)  
for the Hospitalization of:)

Faith Myers  
Respondent.

) Case No. 3AN-03 P/S  
)  
) PETITION FOR COURT APPROVAL OF  
) ADMINISTRATION OF PSYCHOTROPIC  
) MEDICATION [AS 47.30.839]

R. Hanowell, MD petitioner, requests a hearing on the  
respondent's capacity to give or withhold informed consent to the use  
of psychotropic medication, and alleges that:

There have been, or it appears that there will be, repeated  
crisis situations requiring the immediate use of medication to  
preserve the life of, or prevent significant physical harm to, the  
patient or another person. The facility wishes to use psychotropic  
medication in future crisis situations.

Petitioner has reason to believe the patient is incapable of  
giving or withholding informed consent. The facility wishes to use  
psychotropic medication in a noncrisis situation.

Court approval has been granted during a previous commitment  
period, and the facility wishes to continue medication during the  
subsequent commitment period. A 90/180 day petition is being filed.  
The patient continues to be incapable of giving or withholding  
informed consent.

The patient  has refused  has not refused the medication.
