Gerald,

Further to our discussions yesterday, the contact info I have for Wayne [REDACTED] is:

Wayne [REDACTED]
[REDACTED]

[REDACTED]@APCOWorldwide.com

I do not have his telephone number on file.

I would believe the confidentiality agreement from the Diabetes/hyperglycemia work as well as his involvement in the 2004 ESA Regulatory Advisory Board should still be valid. The existing contract could probably be amended if the SEROQUEL Team views his service may be of value.

Kevin
