hi doll,

sounds like you are as busy as ever- sorry about the awkwardness in reaching me this am- I couldn't wait to eat because I was absolutely starving and really did need to stuff my face but think there must be a problem with the phone network- I couldn't hear you and then the phone kept cutting out. Have sent you that article if you want to have a look at it- it's not particularly erudite or academic but at least they are paying me £300 for doing it! Also sorry to hear you've been having all these SNAFUs at work - must be maddening when you've put in so much work and then have the embarrassment od being associated with the substandard product.

Wish I could come to Vegas too - but hope you think of me REDACTED
