I believe that REDACTE is running the ad board but we were just asked to produce slides yesterday, so no, there aren't slides yet.

I think REDACTED is presenting on the 26th but he mentioned that you may be as well.

I was talking to Jamie earlier about slides that we are preparing for him for a Canadian ad board on September 10th and he mentioned that you would need slides for an ad board on the 26th....I'm pretty sure that REDACTED is presenting there.

don't shoot the messenger....just curious

I hope not! Can REDACTED or REDACT or REDACTE do it? Will any of them be there?

Fabulous! Thanks for taking care of this.

PS: Are you presenting CAFE slides at a US ad board on Sept 26th?
