Re: Etta Bavilla Forced Medication

Dear Ms. Brooks:

Pursuant to your directions and as a supplement to my e-mail of February 20, 2004, this is to advise you Ms. Etta Bavilla has asked me to help her resist being subject to another forced medication order when her current one runs out. Therefore, I will need copies of any paperwork that might be associated with such an effort, including her chart, which should be updated from time to time, and notice when any hearing(s) might take place. A release of information signed by Ms. Bavilla is enclosed.

Of course, if the Department should decide not to pursue such an order, this will not be necessary.

Yours truly,

James B. Gottstein, Esq.
