Trial Court Case #3AN-13-00454PR

Having considered the “objection” by Providence Alaska Medical Center and Connie Chevalier (collectively “Providence”) to being appellees in this matter, as well as Providence’s notice of non-participation in the appeal, and having considered the response by Appellant D.G., and based on the understanding that none of issues raised on appeal actually related to Providence but rather focus on due process allegations against the State of Alaska and allegations of error by the trial court in connection with motion practice to which Providence did not participate,

IT IS ORDERED that in the absence of good cause shown by **April 26, 2013**, Providence is dismissed from and no longer need be served with papers in this appeal.

Entered at the direction of an individual justice.
