To the best of our knowledge, the P&GP disbursements which would fall within the definitions of this bill are listed on the attached form.

Dear Mr. Holmstrom:

Pursuant to Minnesota Statute Section 151.47(f), SmithKline Beecham Corporation, d/b/a GlaxoSmithKline is submitting to the Minnesota Board of Pharmacy all 2002 payments, honoraria, reimbursement or other compensation paid by GlaxoSmithKline to individual practitioners which totaled \$100 or more which are authorized by Section 151.461(3) to (5).

You will note that two reports are attached. Due to the merger of SmithKlineBeecham Corp. and Glaxo Wellcome Inc. there are now two main Company campuses. The first report reflects all payments that were made through the Research Triangle Park campus and the second report reflects all payments made through the Franklin Plaza campus.

The attached reports reflect only payments made directly by GlaxoSmithKline to a Minnesota practitioner. GlaxoSmithKline has arrangements with Foundations, Universities, Contract Research Organizations and other business entities to conduct research or provide information in which payment may be made by such an institution to a Minnesota practitioner. Compensation to Minnesota practitioners in these cases is not directly from GlaxoSmithKline, therefore payments to these entities are not necessarily reflected on the attached reports. Similarly, payments to a sponsor of a medical conference, professional meeting or other educational program, where GlaxoSmithKline does not pay the practitioner directly, are not reported.

Should you have any questions regarding the attached reports, please contact Nicole Arnold at 919-483-1223.

Sincerely,

Ann K. Rosen
Assistant General Counsel
