RE: Gifts to Practitioners §151.47  
2005 Report

Dear Dr. Wiberg:

Abbott Laboratories is a diverse worldwide company that manufactures and markets thousands of prescription and non-prescription products. Enclosed please find Abbott Laboratories report that discloses all payments, honoraria, reimbursement and other compensation as authorized under §151.461, clauses (3) to (5), paid to an individual practitioner for the 2005 calendar year in connection with its businesses that market prescription drugs.

Although Minnesota law identifies these reports as public data, Abbott considers the information contained in this report to be confidential, proprietary, and/or commercially sensitive information. Abbott is required by Federal law to pay fair market value for services provided by practitioners and spends time and resources to establish these rates. Abbott does not publicly release this information, in individual or aggregate form. Release of this information would undermine Abbott's relationships with its contractors and consultants and allow competitors to gain a business advantage.

Should you have any questions or concerns, do not hesitate to contact the undersigned.

Very truly yours,

Charles M. Brock

Executive Director

2829 University Ave., SE #530  
Minneapolis, MN 55414-3251

Dear Mr. Holmstrom:

This correspondence is written on behalf of Procter & Gamble Pharmaceuticals, Inc. ("P&GP") to comply with the 1993 Minnesota bill requiring each wholesale drug distributor to file with the Board of Pharmacy, an annual report identifying all payments, honoraria, reimbursements, and other compensation paid to licensed practitioners in Minnesota during the preceding calendar year. To the best of our knowledge, the P&GP disbursements which would fall within the definitions of this bill are listed on the attached form.

If you have questions or would like to discuss, please feel free to contact me directly at (513) 622-5418.

Very truly yours,

Bonnie Zink
