Dear Sir or Madam:

I am writing to you to report a change in corporate ownership and identify a new person responsible for pharmaceutical payment reporting to your state. On April 20, 2006, Chiron Corporation, a Delaware corporation, now known as Novartis Vaccines and Diagnostics, Inc., was acquired by merger and became an indirect wholly owned subsidiary of Novartis AG, a Swiss corporation. Consequently, the undersigned, William C. Waller, is the person responsible from Novartis Vaccines and Diagnostics, Inc. for pharmaceutical payment reporting to your state replacing Robert Johnson of Chiron Corporation.

If you have any questions, please call me at (510) 923-4989 or email [william\\_waller@chiron.com](mailto:william_waller@chiron.com) Thanks.

Sincerely,

Subject RE: Gifts to practitioners form - State of Minnesota 

Good afternoon LeeAnn:

It has been a while since you and I have traded emails, however, now that the 2nd Quarter of the year has ended, I wanted to let you know that I will be forwarding over our completed gifts to practitioners form your way by next week. My Vice President, Lynne Amato will be back by then to sign off on the form.

So, since you've mentioned that there is no deadline in the State of MN to send in our entries, I figured sending you this quick reminder note would not hurt.

I will follow up with you when I mail out the completed form and in the meantime, if you have any questions or concerns, please do not hesitate to contact me directly at your convenience.

Thank you and again and I hope you have a wonderful day.

**Re: Minnesota Expense Reporting Statute – Annual Report**

Dear Mr. Wiberg:

I am writing with respect to ICOS Corporation's obligation to report payments, honoraria, reimbursement, and other compensation authorized by Minnesota Statutes section 151.461, clauses (3) to (5), which is paid by or on behalf of ICOS Corporation to licensed practitioners in Minnesota. To the best of our knowledge, ICOS did not have any reportable expenditures during the 2005 calendar year. This letter is being submitted as ICOS' annual report for 2005.

Please note that ICOS is part of a joint venture with Eli Lilly and Company (Lilly ICOS) to promote a pharmaceutical product called Cialis<sup>®</sup> (tadalafil). Under the joint venture agreement Lilly is responsible for making certain payments to physicians on behalf of the joint venture that may be covered under section 151.461. Because those payments come from Lilly, they are not within the scope of ICOS' reporting obligations. However, payments made by ICOS on behalf of Lilly ICOS, if any, would be included in an ICOS report.

ICOS Corporation and/or Lilly ICOS have sponsored other business entities that conduct research or provide medical education programs. Payments covered under Section 151.461 may have been made by those entities to Minnesota practitioners. In these cases, the practitioners are not chosen by ICOS and the compensation to the practitioners is not directed by ICOS; therefore, these payments would not be included in an ICOS report.
